Dear Sir

**PERMIT TO CONDUCT A SCHEDULED TRADE/OCCUPATION - ENVIROSERV
WASTE MANAGEMENT - 1 SHONGWENI DAM ROAD SHONGWENI.**

Your application for a permit to conduct a Scheduled Trade/Occupation in terms of Section 1 of the Scheduled Trades and Occupation Bylaws for the eThekweni Municipality has received favourable consideration and the permit is hereby granted for a period of 3 (three) months, expiring 30th June 2019.

In considering your application, the Municipality has noted your correspondence and your submissions concerning the actions which have been taken and are still underway on the site to eliminate any potential nuisance, as well as your on-going commitments in this regard.

Should you wish to apply for a further permit to operate after the expiry of this permit, you are required to timeously submit a fully-motivated application to the Municipality on or before 1st June 2019, whilst factoring in timelines for a full and proper participation process as contemplated by the bylaws, duly supported by relevant documents and setting out:

1. The transitional plan from trial flare to permanent flare;
2. Results of continuous monitoring on site showing evidence of improvement;
3. It is important to note that the eThekweni Health Unit reserves its rights: -
 - 3.1 to vary, suspend or rescind this permit at any time during the renewal period, as contemplated by Sections 5 to 8 of the STP By-laws;

- 3.2. to exercise any rights, it has in law (including the Scheduled Trades and Occupations by law) once the appeal committee constituted in terms of Section 4 publishes its decision on the pending appeal of permit number ST 3064 issued on the 27th September 2018.

Accordingly, please find attached hereto the relevant conditions pertaining to Permit No. ST 3064 together with the necessary certificate of registration which must be displayed in a prominent place within the premises at all times.

Yours faithfully

Dr N. I. Gxagxisa
Head: Health
eThekweni Health Unit
